

Supplier Outreach Email Template

Subject:

Inquiry About Partnership for [Your Brand Name]

Email Body:

Dear [Supplier's Name / Sales Team],

My name is [Your Name], and I am the founder of [Your Brand Name], a fashion start-up based in [Your City / Country]. We are currently developing our [first / upcoming] collection and are very interested in sourcing [product/fabric/garment type] from your company.

Could you please provide me with the following information:

- Minimum Order Quantity (MOQ)
- Price per unit (including variations for different quantities)
- Available colors, fabrics, and customization options
- Production lead time
- Shipping options to [Your Country]

We are looking to establish a long-term relationship with a reliable supplier and believe your products could be a great fit for our brand.

Please let me know if you can share a catalog or product sheet, and if possible, send me some samples for review.

Looking forward to your reply.

Best regards,

[Your Full Name]

Founder, [Your Brand Name]
